

# Care Plan

## Joe Doe

Here you can check on our residents care plan. A care plan is a document that gets reviewed roughly every month and outlines the care requirements that your relative will be receiving. It is broken down into several key sections. You may have received an email informing you of an update to the residents' care plan. You will be notified by email whenever a change to the care plan is made.

## Mobility

Last Updated 15 Aug 2013

Now: Joe has severe anxiety. Keep his room quiet and uncluttered.

Objective: To maintain Joe's mobility, while limiting outside access.

## Medication

Last Updated 15 Aug 2013

Now: Joe has bipolar disorder.

Objective: For Joe to receive the maximum therapeutic effect from his prescribed medication..

Residents' Support Choices: RGN to administer all of Joe's prescribed medication.If refused, dissolve in vanilla pudding and serve pudding.

Monitor for therapeutic or side effects and report to GP.

## Food

Last Updated 15 Aug 2013

Now: Joe has difficulty swallowing.

Objective: To maintain body weight and nutritional support.

Residents' Support Choices: Provide Joe with a special liquid/pureed diet.
